Celebrate Smokey Bear Days and Smokey's 70th Birthday in Capitan – May 2-4

Capitan — The Smokey Bear Wildfire Prevention Program is marking its 70th birthday this year and the occasion will be marked by three days of fun filled activities at the annual Smokey Bear Days in Capitan, NM.

Smokey Bear's Hometown Association and New Mexico State Forestry are hosting tours through the Smokey Bear Historical Park, street dances, auctions, chainsaw carving competitions, a firefighter challenge, petting zoo, kid's activities, an arts and crafts show, a chili/BBQ cook off, a melodrama, birthday cake and much more!

Smokey Bear and his efforts to prevent human caused wildfires began in 1944, as a way to prevent the destruction of our forests. Seventy years later, Smokey and his message: "Only You Can Prevent Wildfires" have become known the world over to young and old alike.
